BarkBox Update!!

For New Orders! BarkBox products shipping February 2024

BarkBox will conduct a secondary production run and ship in February 2024 to customers. Still BarkBox online shipped plus unpurchased inventory.

We previously shared with you that there would be limited quantities for this price, however BARK has been an qualified partner and has made significant efforts to secure more product for our customers. Unfortunately, this product may continue spiraling on line sales. These products will be available in our online shop and on our site. When ordering online, customers will have a disclaimer of the ship date.
