Girl Scouts Cookie Time Blog Editor
Kinlesh is entering her first year as a Girl Scout. She loves part of Girl Scouts because she gets to meet new people and learn about them. Her Girl Scouts Cookie - making it is meaningful experience for her.

Kinlesh's goal for the Fall Product is simple: participate in Troop 42019's fall selling products and contribute to the troop activities throughout the year. She learns about the Fall Product program from her troop leader, Kinlesh's mom, and her sister, Girl Scouts Cookie Ambassador and top selling Girl Scout of the Week.

While thinking of becoming a veterinarian, Kinlesh's passion for animals lessons her interest in being a Girl Scout. She is a big fan of the Girl Scouts because she enjoys the variety of the troop's meetings. She enjoys the variety of the troop's meetings, and she loves the fun they have together. Kinlesh's favorite troop activity was a troop getting her level in crazy outdoors. Her enthusiasm and never-ending energy are contagious, and she is a great representative for the Girl Scouts.
