GSCCC
Monthly Newsletter
April 2025

Welcome to our April newsletter!
Spring is in full bloom, and so are opportunities for connection and learning across the Central Coast. This edition of GSCCC Monthly covers ongoing competitions, organizing the great outdoors, & speaking time with Lynn Gray. Also, mark a date in your calendar for our Business Showcase on May 29th!

Every month we're celebrating a Chamber member business. This month we're celebrating Sandy Beach Cleaning, a family-owned business that specializes in monthly beach cleanups, coastal restoration, and environmental education, and unforgettable summer memories! 🌊

Our GSCCC Contest Club is on a roll, so if you haven't joined yet, it's never too late to jump in on our activity calendar.

Did you know that we have a Facebook group for our members? Members-only discussions, exclusive deals, and updates happen there. Ask questions, share your business, and connect with other members in the group!

As a reminder, what happens in the Chamber stays in the Chamber. Let's keep this space a safe place to share wins and ask questions.

See you at our next meeting!

Early Bird Sessions 🕓

Early Bird 2025-2026

The last Leader of Early Bird concluded in April. Early Although September is just two short months away, Early Bird Sessions are already filling up! Early Bird sessions are a great way to connect with other members, and everyone needs friends! Early Bird Sessions are a great way to connect with other members, and everyone needs friends! Bonus! Early Bird is only the first time spring and year go by! Another amazing year of networking starts soon!
