

# The 5 Skills – Shaping Your Girl’s Future

GOAL SETTING
DECISION MAKING
MONEY MANAGEMENT
PEOPLE SKILLS
BUSINESS ETHICS

## Why do they matter?

Because when your Girl Scout has learned these skills, she’ll be poised for success in her career. Think about it:

When employers interview job candidates, they all look for the same things. This is true whether the employer is a bank, high-tech company, university, hospital, publishing house, car dealership, accounting firm - or even the local pet store! They want:

### **Someone who can set goals and meet deadlines.**

Blowing a deadline can mean blowing a deal!

### **Someone who works well with others.**

Who wants to deal with strife and complaining in the workplace? Not the boss!

### **Someone who understands customers.**

It doesn’t matter whether the “customers” are hospital patients, TV viewers, or other companies—every business has to know its customers and what they want.

### **Someone who can influence others.**

This doesn’t just mean selling a product. Employers want people who can sell ideas, pitch projects and convince other employees to help out. OR sell ideas, pitch projects and make deals.

### **Someone who is honest, trustworthy and reliable.**

Kind of goes without saying—or it should!

## Sound like anyone you know?

That’s your Girl Scout, using the 5 Skills she learned in the Girl Scout Cookie Program.
