Lost and Found

The camp experience is an opportunity for a girl to learn responsibility for her own personal articles. Please discuss with your daughter the importance of caring for and keeping track of her gear. Girl Scouts of California's Central Coast is not responsible for lost, stolen, or damaged personal items. Please mark everything with your daughter's full name and check her luggage before leaving camp to ensure she is not leaving anything behind. All unclaimed items will be donated to a charitable organization or disposed of after September 1.
