

A set of basic participation forms, described in the following table, is needed for EACH GIRL for ALL Girl Scout Activities. They should be carried by the troop or group leader for ALL events including regular meetings. They are also carried by the driver of any vehicle carrying a scout who is not the child of the driver. (Consider carrying a Health History Form for each adult. It is optional but may be helpful in case of emergency.)

Click on name of form to be linked to form.

Form Name	Purpose	Completed By:	Submitted To:
Forms for EACH GIRL for ALL Activities:			
Annual Permission Form Link Annual Permission Form PDF	Grants permission to girls to attend local meetings or events that are within 60 miles of the normal meeting place or no longer than 6 hours in length, participate in non-high-risk activities, and participate in product sales.
