

CERTIFICATE OF SITE INSURANCE REQUEST
To be completed, signed by troop/group leader

CERTIFICATE OF SITE INSURANCE (COI)

A Certificate of Insurance/Proof of Insurance is generally requested by a school, church, shopping center or other site owner when use of their property is desired. Please use this form to request a certificate of insurance.

To obtain site insurance, complete this form completely and mail, fax or e-mail to GSCCC. *The Girl Scout representative requesting the certificate will not receive any acknowledgment.* The entire process takes approximately three weeks, so plan accordingly.

CONTRACT INFORMATION

When planning an activity involving use of non-council property or one that may require signing a contract, the leader should ask early in the planning process whether a contract is involved. If so, obtain a copy, read it carefully and, if possible, discuss it with your membership manager before signing the document.

HOLD HARMLESS CLAUSE

“Hold harmless”, in many cases, requires Girl Scouts of California’s Central Coast to be totally responsible for financial reimbursement if an injury occurs. The council will furnish a Certificate of Insurance that guarantees coverage if a participant is injured, however, the site owner must also take responsibility for the property and facility by ensuring that it is in good condition and safely maintained. **If the site is not safe, the Girl Scout representative should not sign a hold harmless agreement.**
