

## **Girl Scouts of California's Central Coast Cookie Program FAQ:**

### **Q: How does my troop participate in this rare opportunity?**

A: Troops can go into any of our retail locations and check out cookies.

### **Q: How will you track what my troop has taken?**

A: We will receipt all cases taken out and give you a copy. Please make sure you sign the receipt, as this will be our tracking system.

### **Q: Where can my troop "sell" these cookies?**

A: Your girls can continue to do door-to-door-sales, lemonade stands, and participate in local events, such as farmer's markets, festivals, etc.

### **Q: As SMART COOKIES is not active for booth approvals, how can we secure commercial locations?**

A: Send an email to [cookies@girlscoutscoc.org](mailto:cookies@girlscoutscoc.org) with your request and an approval email will be sent with confirmation or denial. Note: grocery stores are not available for booths, and other previous commercial locations may deny our request.

### **Q: How will council get paid for these cookies?**

A: We will ACH \$3 per package from your troop at the end of the promotion

### **Q: Do these cookies count towards my troop's proceeds?**

A: No, these proceeds of \$24 per case will be separate from the 2021 Cookie Sale, which ended April 18, 2021.

### **Q: Will my girls get rewards for these cookie sales?**

A: No, this is purely a troop financial incentive for you to use, like all troop funds for the enrichment of your troop opportunities and activities.
