

Girl Scouts of California's Central Coast Happy Trails Hiking Patch Program

This patch program was designed by the Girl Scouts of California's Central Coast Happy Trails Committee; volunteers from across our council's footprint.

This patch program offers troops and families a fun and interesting way to engage with the outdoors. The Happy Trails program continues the Girl Scout tradition of outdoor experiences and skill exploration which allows every girl the opportunity to learn about local hiking trails, explore and learn about local flora and fauna, unplug from screens and social media, and have FUN exploring the great outdoors.

This patch program aligns with the Brownie Hiking Badge, Senior Trail Adventure Badge, and the Ambassador Trail Adventure Badge.

All requirements must be completed to earn the Happy Trails patch and charms:

Activity One: Earning Happy Trails patch

- Watch the Happy Trails information and training [video](#)
- After watching video complete cognito [quiz](#) and submit
- Purchase the Happy Trails Patch.
