

CAMP ARNAZ CLUB PASSES

Starting March 1, 2021, you can enjoy one or all of the all-new centers opening at Camp Arnaz!

Perfect your shot at the archery or shooting range, or explore the night sky with Astronomy Club. This exciting offer isn't just for Girl Scouts – invite your family and friends to join in, too! A world of adventure awaits at our very own Arnaz Program Center located in Ventura County! Purchase your pass today!

Archery Club Pass

Archery is a thrilling sport that is even more fun to master! It takes strength, attention, steadiness, and practice. Get ready to build your archery skills, all while learning how to shoot on a range. Don't miss out on a one-of-a-kind experience!

Shooting Club Pass

Handling a gun and good marksmanship develops many positive traits and skills. This sport can help teach patience, discipline, determination, focus, and attention to detail – key elements of leadership and confidence building! Learning how to handle guns properly and safely through necessary training is of utmost importance so that girls can develop a healthy respect for the sport and the tools used before engaging in any activity.

Astronomy Club Pass

Do you find outer space amazing and awe-inspiring? Ready to start your own astronomical journey? We have the perfect club for you! We have shown many aspiring stargazers their first constellation and double star, where the planets are, and how to use a telescope. We can help you find the best binoculars, telescopes, computer programs, and star atlases, and help you decide what you need to enjoy and discover the cosmos! With this club, you can finally begin exploring the universe at your own speed and in your own direction. If your future goals include scientific research, we'll even show you how you can best use your observations! This club is your friendly 'launch pad' for your exploration of astronomy!

A club pass is a great way to enjoy Camp Arnaz!
