

## Thank You Cards for Heroes

If you are looking for a way to say thank you to give back to the everyday heroes that are going above and beyond during this time of crises, look no further! What better way to say thank you then with a homemade Thank You Card.

- Take a second to think about who you would like to thank in this time of crisis.
  - Doctors
  - Nurses
  - Paramedics
  - Sheriffs
  - Policemen
  - Firemen
  - Grocery store workers
  - Delivery workers
- Now that you have an idea of who you would like to thank, take some time to write thank you cards.
  - These cards can say anything you would like, but here are some examples:
    - Thank you for keeping us safe!
    - Thank you!
    - Thank you for making sure our packages arrive in a timely manner!
    - Thank you for all of your hard work!
    - Thank you for making sure my family has everything we need!
- After you have written the thank you cards, it is time to decide where specifically you would like to send them. (Which hospital, Police department, grocery store, etc.) Look up the address for that specific location, put them in an envelope, and put the thank you cards in the mail.

\*See below for an example of how to fill out an envelope.
