

Origami Math!

Supplies:

- 6X6 Squares of paper

Directions:

Please see any of the links provided below for descriptions and visual aids

STE(A)M Subject(s):

Math and Art

Every fold creates a shape and every fold is a fraction. Example: fold the square paper "in half". Origami is an amazing way to introduce mathematical concepts to girls via art.

Related Badge(s) or Journey(s):

Art Legacy and (B) Creative Play
