

Eat. Share. Care. The 2021 Girl Scout Cookie season is here!

Girl Scouts of California’s Central Coast is excited to again share away to support local Girl Scout Troops - cookie booth buyouts. Through this program, local businesses can “buyout” one or more cookie booths across the Central Coast. Cookie Buyouts are an easy way to support a local Girl Scout troop during a challenging year; while also providing your vendors, customers or employees with America’s favorite annual sweet treat.

Participating in The Girl Scout Cookie Buyout is as easy as 1, 2, 3!

- 1 Visit www.girlscoutsgcc.org/cookiebuyout and complete an interest form confirming your company information and level of support*

On the form, you are able to select a specific troop or a troop in your city/delivery location. **Once received, a Girl Scout Troop will reach out with a link to purchase your cookies. The Cookie Buyout runs from January 23, 2020 - March 7, 2021.**

- 2 Click on the troop’s link and place your order

using our cookie website to select cookies and pay online. You are also able to select delivery of cookies by the troop, shipping of cookies or donate cookies as a tax deduction to Cookie Share.

- 3 Spread Joy!

A local Girl Scout troop will create a personalized thank you poster, post their thank you photo on social media and deliver the delicious cookies to you! With the purchase of \$250+ Girl Scouts of California’s Central Coast will also include your name in a thank you advertisement in the GSCCC Annual Report.
