Short and Snappy Learning Opportunities for Volunteers

Volunteer Toolkit 10 minutes

Introduction:

The Volunteer Toolkit (VTK) is a web app that works on a computer, tablet or smartphone. It contains Journey and Badge meeting instructions in a simple, easy to deliver format. Also included in the VTK are calendar and year planning tabs, attendance, email and achievement functions and handy resources. Because it is so easy to use, the VTK is the suggested program option for new troops and leaders.

Getting Started:

- Go to our website – www.girlscoutsccc.org
- Click on MyGS
- Make sure your role is current, even if you are a lifetime member
- Login – don't know your info, contact us at info@girlscoutsccc.org
- You should arrive to your MyGS account
- On the left there is a menu bar with nine choices
- **Choose Volunteer Tool Kit**
- Take the guided tour

This has 6 tabs on the top – lets explore them all

- My Troop
- Explore
- Year Plan
- Meeting Plan
- Recourses
- Finances – will go live December 2021

What Leaders Can Do

Through the Volunteer Toolkit, troop leaders can:

- Plan the troop's calendar year.
- Email parents with one click.
- View the troop roster, renew girls' membership, and update girls' contact information.
- View Daisy through Ambassador Journeys and badges (to plan for troop meetings), including prepopulated tracks for younger and older Multi-Level troop groups (K-5 and 6-12).
- Customize meetings by troop year with other badge and Journey options.
- Explore individual meeting plans that show a breakdown of every meeting, including a list of materials needed and editable time allotments for each activity within a meeting.
- Record girls' attendance at meetings and their badge and Journey achievements.
- Add council or custom troop events to the troop's calendar.
- Enter the troop's finances (depending on the council's process).
- Easily locate resources both national and local council resources, such as *Safety Activity Checkpoints*.

What about Caregivers/Parents?

What can caregivers/parents do?

- Caregivers can now access the Volunteer Toolkit to see what their girl's troop or group is doing (e.g, meeting information and which badges and Journeys she is working on).
- Parents can also view the troop's finances (depending on the council's process).
- Resources Tab has tons of information to help support their girl through the Girl Scout year.

Please note – The caregiver/parent view in the VTK only works if the troop leader has set up a year plan. If they haven't, when you log in you'll see this message:

"Hello! Your girl's troops leader has not yet set up the troop's year plan. Please contact the troop leader for more info on their use of the Volunteer Toolkit"

BADGE STEPS

App Development

Girls collect and visualize personal data to design a prototype for an app that will help to build a healthy habit.

1. Learn about data collection and visualization
2. Write an array to store personal data
3. Create a personal data collection plan
4. Learn how to correlate data
5. Develop a prototype for a habit tracking app

When they've earned this badge, they'll know how to use elements from JavaScript to create their own idea for a habit tracking app.

You can also search to add a petal, badge or journey meeting
