central coast

2017 ANNUAL REPORT

From the Board Chair and Chief Executive Officer

Dear Friends:

At Girl Scouts of California's Central Coast, we believe that when girls succeed, so does society. That's why we are committed to the one-of-a-kind Girl Scout Leadership Experience (GSLE). Time-tested and research-backed, GSLE outcomes provide compelling evidence that Girl Scouts are more likely than non-Girl Scouts to have greater social and emotional well-being. Because when girls are given a safe, all-girl environment to try new things and take on challenges, they cultivate important skills needed to take the lead in their own lives and the wider world. In 2017, Girl Scouts was ranked second on the World Value Index, a report that measures how audiences perceive and value a brand's purpose and mission. In other words, Girl Scouting works!

A network of community volunteers, along with engaged families, are key to these successful outcomes for girls. That's why we joined councils nationwide in 2017 to provide a new customer care and training department, along with a new Volunteer Toolkit to streamline planning for troop meetings and activities. To further engage volunteers, the voting membership approved the induction of a newly formed Member Connection Committee, which meets bi-monthly to provide member-level feedback and ideas for council stewardship to the Board and CEO. And, we made progress to soon start the renovation of what will be the new Andrew and Phyllis D'Arrigo Girl Scout Leadership Center in Castroville to better serve members

With this nurturing backbone of support, Girl Scouts not only participated, but also took the lead in a range of program activities in 2017—from kayaking, archery, and camping, to coding, robotics, trekking, advocating for wildlife and beyond! We partnered with MOXI, The Wolf Museum of Exploration + Innovation in Santa Barbara for an exciting new patch program, collaborated with Digital NEST to develop Girl CODE curriculum through a generous grant from Google.org to supply girls with laptops, and girls tested their orienteering and Dutch oven cooking skills at the biannual Kaleidoscope, a Girl Scout skill-building weekend camporee attended by nearly 2,000 members.

We also celebrated the 100th Year of Girl Scouts selling cookies which brought the debut of the new Girl Scout S'more Cookie.® In addition, Girl Scouts paved the way for year-round science, technology, engineering, and math (STEM) programming with the Girl Scout STEM pledge – a commitment to providing girls with skills for the 21st century workplace. And, we recognized 35 Gold Award Girl Scouts, the highest achievement in Girl Scouting.

We could not have made this progress without the unwavering support and dedication of our volunteers, families, community partners and donors who power every G.I.R.L. (Go-getter, Innovator, Risk-Taker, Leader)™. The case for Girl Scouting has never been stronger, and we are honored to lead this mission with you. Thank you!

GIRL SCOUT PROMISE

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

GIRL SCOUT LAW

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,
and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.

MEMBERSHIP

In 2017, Girl Scouts of California's Central Coast (GSCCC), combined girl and adult membership reached over 16,000, with a retention rate above the national average for councils at 72%.

Girl Scouts is the first and largest girl-led organization in the world, and for over a century has been preparing girls in grades K-12 for everyday leadership by providing experiences to explore new interests, face challenges, form new friendships, and make lasting community contributions. Our proven approach gives girls the opportunities to unleash their inner G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™, prepare for a lifetime of leadership, and change the world.

Our programs encompass four pillars: **Life Skills**, **STEM**, the **Outdoors**, and **Entrepreneurship** to deliver girl-led activities to G.I.R.L.s across six counties along California's Central Coast.

Girl Scout alumnae display positive life outcomes to a greater degree than non-Girl Scouts including: having a stronger sense of self and positive values, exhibiting community problem-solving skills, earning better grades and achieving higher levels of education, enjoying the outdoors and more.

GIRL SCOUT LEADERSHIP EXPERIENCE

At the core of the GSLE, is a portfolio of engaging badge work, and challenging activities like getting outdoors, taking field trips, exploring science and performing community service.

To support this foundation, adult volunteers led girls through activities in troops and amazing regional Service Unit-hosted events.

As well, GSCCC hosted 410 events - designed just for girls - so they could try new things in a safe and nurturing environment at our program centers and along the Central Coast. Programs like hooked on fishing and surfing, First Aid, hiking at Pinnacles, cooking a harvest-to-table pizza lunch, and many more, gave girls an active and healthy choice of adventure to capitalize on their inner G.I.R.L.

Spring brought the popular annual Brownlympics event where 417 Daisies and Brownies participated in a day of sports in Thousand Oaks and Simi Valley with the support of 50 volunteer dads.

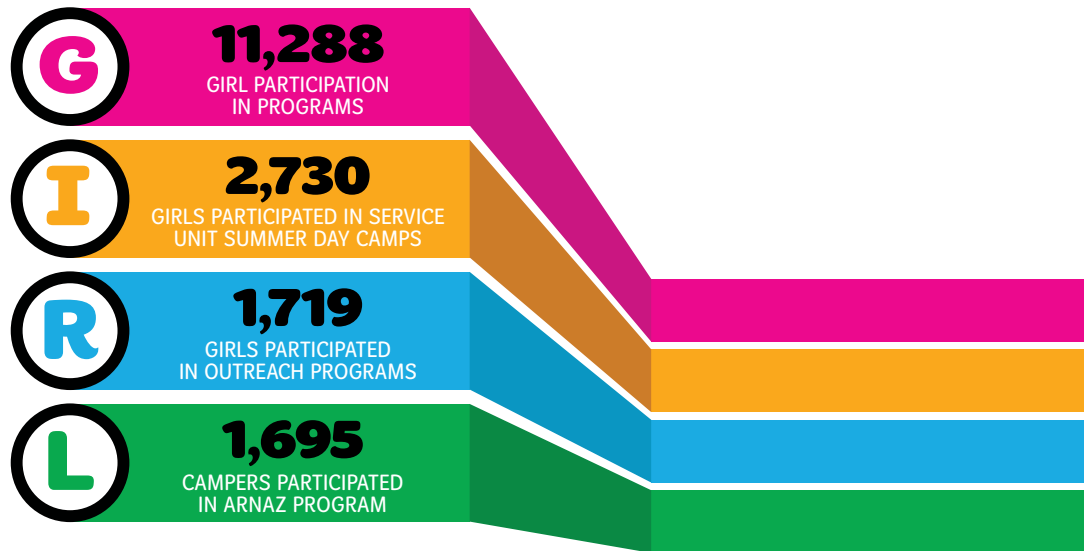

With our pledge to help girls grow in STEM, we debuted Girl CODE at Camp Arnaz through a Google.org grant, and in partnership with Digital NEST of Watsonville, which provided laptops and introduced 150 girls to coding activities.

UNLEASHING HER INNER G.I.R.L. STEM + ENTREPRENEURSHIP LIFE SKILLS + OUTDOOR

Presented in-part by the Harriett H. Samuelsson Foundation, we also hosted Tent or Treat as part of a Go-Green initiative at Camp Arnaz with over 300 attendees.

And, rocket scientist-turned Girl Scouts of the USA national CEO, Sylvia Acevedo, visited when we teamed up with The Wolf Museum of Exploration + Innovation in Santa Barbara to offer a councils-own MOXI patch.

CAMP LIFE IS THE BEST LIFE

CAMP ARTEMIS

CAMP ATHENA

Girl Scout outdoor programs are designed to help girls build confidence, develop an appreciation for nature, and prepare for higher adventure. And, in 2016-2017, we went camping and experienced the outdoors!

Over 3,000 Girl Scout and outside group campers overnighted at **Camp Arnaz** - the council's beautiful 36-acre camp property located on the outskirts of Ventura. Camp Arnaz was also the backdrop for 59 programs which served approximately 1,705 girls and 706 adults.

We expanded older-girl leadership resident camp with the debut of **Camp Athena** in San Luis Obispo County to join our popular **Camp Artemis** held in the Santa Cruz Mountains.

In 2017, we also held the much anticipated biannual **Kaleidoscope** camporee in Santa Barbara County with over 1,066 girls and 507 adults participating. Girls competed in Dutch oven cook-offs, knot-tying, orienteering and more, while learning new outdoor skills and having a blast tent-camping with other Girl Scouts!

In each region, Service Units held incredible **Summer Day Camps** with a variety of themes like *Welcome to the Jungle* to give hundreds of girls a fun, active week in the outdoors.

ENTREPRENEURSHIP

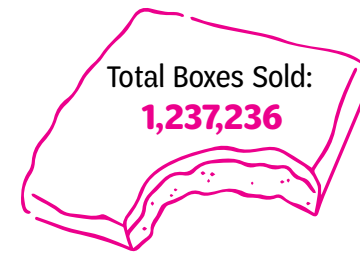

Each year, our communities come together in support of the work of the council, and more importantly to help girls learn what it means to actually lead a business during participation in the Fall Program Sale, and the annual Girl Scout Cookie Sale Program.

In 2017, we celebrated 100 Years of girls selling Girl Scout Cookies with the introduction of the NEW Girl Scout S'mores™ cookie. A century ago, girls started participating in what would evolve into the largest entrepreneurial training program for girls in the world, the Girl Scout Cookie Program. Selling Girl Scout Cookies not only helps Girl Scouts earn money for fun, educational activities and community projects, but also plays a huge role in guiding girls to discover their inner G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader) as they learn **five essential life skills** that will stay with them forever. All of the net revenue raised through the Girl Scout Cookie Program—100 percent of it— stays with the council and troops.

Troop and Service Unit Profit in 2017: \$1,130,200

The annual nut/candy and magazine sale program held each fall is laced with fun, digital avatars and learning, and serves as an important troop start-up opportunity to fuel fall program activities. In 2016, 485 participating troops with 2,835 girls sold \$613,932 in nuts/candy, and \$139,119 in magazines.

COMMUNITY OUTREACH

Grants, corporate contributions and individual gifts provide a vital pathway to serve girls. Grantmakers support programming in Santa Cruz, Monterey, San Benito, Santa Barbara and Ventura Counties. GSCCC's Alisal Program Center in Salinas, offers a grant-funded after-school program that builds girls' leadership and academic skills.

Thanks to a generous grant from Google.org, and Girl Scouts of the USA, the council purchased laptops for coding literacy, computer science, and problem-solving workshops for 500 girls – at least 50% of the girls served by these programs are low-income. In Ventura County, program supported by the Amgen Foundation and Edison International help girls to build Science, Technology, Engineering and Math (STEM) skills.

Our donors' generosity helps us to ensure that girls do not get left out of the Girl Scout Leadership Experience because of financial limitations.

STEWARDED THE MISSION

Thanks to generous gifts from donors, Girl Scouts of California's Central Coast is able to reach deeper into our communities to serve girls.

THIRD ANNUAL FORK IT OVER FUNDRAISER

Presented by Premier America Credit Union in 2017, Fork It Over was held in August at the Palm Garden Hotel in Thousand Oaks. All proceeds benefited the Girl Scout Leadership Experience (GSLE) across the six counties served by GSCCC. Notable chefs from restaurants created Girl Scout cookie-inspired appetizers and desserts in sweet and savory food pairings. Fork It Over ticket sales support what girls love about Girl Scouts including participating in troops, camping and the outdoors, developing leadership skills, STEM-related activities, and so much more!

ANDREW AND PHYLLIS D'ARRIGO LEADERSHIP CENTER

Thanks to a generous donation from the D'Arrigo family, as well as local community support, we're transforming the Castroville office into the new Andrew and Phyllis D'Arrigo Leadership Center, a place where girls and volunteers can hold meetings, attend trainings and participate in weekend programs. The project is slated for completion in 2018.

We would like to thank the following donors for funding the Andrew and Phyllis D'Arrigo Leadership Center: Andrew & Phyllis D'Arrigo Charitable Foundation, The Nancy Eccles and Homer Hayward Family Foundation, Ocean Mist Farms, Valley Pride Inc., Boutonnet Farms Inc., Laguna Mist Farms,

Sea Mist Farms, Quattrone Foundation, Nancy Ausonio, Don & Barbara Chapin, D'Arrigo Bros. Co. of California, Mark Boos, Borzini Accounting & Consulting, LLP; California Giant Berry Farms, Bette Grace, Janet and Leon Mayou, Gerald & Mary McCullough, Art & Marilyn McLoughlin, Margaret D'Arrigo, Cynthia Vernon & Monta Potter, IMPOWER, Salinas Valley Chamber of Commerce, Scudder Roofing Company, Lions Club of Freedom, Sheila Dundon, Rabobank, and Kalah & Robert Bumba.

DONOR APPRECIATION EVENTS

We held a Donor Appreciation luncheon at Fisher's restaurant in Hollister. Members of the Juliette Gordon Low Society, GSCCC donors and The Community Foundation came together for great company and great food, and to discover more about giving opportunities. In Ventura County, we held a Donor Appreciation event at Camp Arnaz. Our guests enjoyed dinner and received a tour of the camp grounds. We ended a fun evening with S'mores around a roaring campfire!

JULIETTE GORDON LOW SOCIETY

Juliette Gordon Low gathered a few girls to begin Girl Scouts 106 years ago. In her memory, the Juliette Gordon Low Society was established to thank and honor friends of Girl Scouting who choose to make Girl Scouts part of their legacies and a beneficiary of their estate plans.
