A Letter from

Chief Executive Officer

And

Lupita Renteria-Galvan
Board Chair

Dear Girl Scouts,

We are on a mission to build girls of courage, confidence and character who make the world a better place. Over 9,000 girls in California's Central Coast will be strong, innovative leaders in our world. All because of the Girl Scout advantage.

At Girl Scouts of California's Central Coast, we know the importance of girl and women leadership, globally. We know that girls thrive in all-female environments along with the volunteers that help them achieve their goals. We want to celebrate the volunteers that help our girls every single day. We know the research shows that, in an all-girl environment, girls discover their passions, find their voice, and shine their absolute brightest. It's so exciting to see girls working together to build the bravery, confidence, and resilience that comes with taking risks, testing limits, creating opportunities, and serving others.

We know that every girl has the potential to lead with courage, confidence and character and that potential is made a reality because of the amazing experiences our volunteers provide our girls. We recognize that without each and every Girl Scout supporter we could not fulfill our mission each day. We want to thank our amazing volunteers for their service. Thank you for helping girls take action to improve their communities, travel to other counties, design robots, become entrepreneurs, explore the outdoors and so much more! Thank you to all of our volunteers, who for over 108 years have provided girls with the amazing life advantage of Girl Scouting!

Girl Scouts continues to thrive and we truly appreciate all of our incredible Volunteers!

Thank you!

In 2019, Girl Scouts of California's Central Coast (GSCCC), combined girl and adult membership reached over 14,000, with an overall retention rate at 67%.

Girl Scouts is the first and largest girl-led organization in the world, and for over a century has been preparing girls in grades K-12 for everyday leadership by providing experiences to explore new interests, face challenges, form new friendships, and make lasting community contributions. Our proven approach gives girls the opportunities to unleash their inner G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™, prepare for a lifetime of leadership, and change the world.

Our programs encompass four pillars: Life Skills, STEM, the Outdoors, and Entrepreneurship to deliver girl-led activities to G.I.R.L.s across six counties along California's Central Coast.

Girl Scout alumnae display positive life outcomes to a greater degree than non-Girl Scouts including: having a stronger sense of self and positive values, exhibiting community problem-solving skills, earning better grades and achieving higher levels of education, enjoying the outdoors and more.

“GIRL SCOUTS, FOR ME, IS AN ORGANIZATION OF WOMEN WHOSE PURPOSE IS MENTORING GIRLS TO EXPLORE THE WORLD, IDENTIFY NEEDS OR PROBLEMS AND SEEK SOLUTIONS AS THEY SEEK TO FIND THEMSELVES AND THEIR PURPOSE IN LIFE.”

Girl Scout Leadership Experience

At the core of the GSLE is a portfolio of engaging badge work and challenging activities such as getting outdoors, taking field trips, exploring science and performing community service.

To support this foundation, adult volunteers led girls through activities in troops and amazing regional Service Unit-hosted programs.

Additionally, GSCCC hosted 117 events - designed just for girls - so they could try new things in a safe and nurturing environment at our program centers and along the Central Coast. Programs like the Girl Surf Days, GSCCC Archery Patch Program, Tent or Treat, Daisy Outdoor Skills Day, Girl Code, Cooking with Critters, and many more, gave girls an active and healthy choice of adventure to capitalize on their inner G.I.R.L.

Through our Programs, Camps, and Training, we provided over 2693 Girls outdoor experiences across our Council. Girls explored hiking, backpacking, wildlife, and outdoor skills in all counties. We developed four new Councils Own Patches including Food for All, California Wildlife Treasure Hunt, Money Matters and Project Pollinate.

GSCCC opened three new program centers—The Oaks Mall Program Center, the SLO Center and the newly-remodeled D'Arrigo Leadership Center.

We introduced two new clubs—the Adventure Club and Astronomy Club. The Adventure Club has over nine members who have completed over 27 outdoor adventures and challenges. The Astronomy Club, funded by GSUSA and NASA has over 35 members exploring STEM.

We rolled out a new registration platform—Doubleknot—with 585 users.

Camp Life is the Best Life

Girl Scout outdoor programs are designed to help girls build confidence, develop an appreciation for nature, and prepare for higher adventure. And, in 2018-2019, we went camping and experienced the outdoors!

Over 3,200 Girl Scout and outside group campers overnighted at Camp Arnaz - the council's beautiful 36-acre camp property located on the outskirts of Ventura. Camp Arnaz was also the backdrop for 22 programs which served approximately 559 girls and 103 adults.

We had another successful year of resident camp at Camp Athena (57 campers) in San Luis Obispo County and at our popular Camp Artemis (69 campers) held in the Santa Cruz Mountains. In each region, Service Units held incredible Summer Day Camps with a variety of themes like Camp Candyland, Music and Art Around the World, Reaching New Heights, and Once Upon a Camp, to give hundreds of girls a fun, active week in the outdoors.

Girl Scouts of California's Central Coast hosted a pop-up camp at The Oaks Mall from November 16-20, 2018 to support communities affected by the Woolsey Fire.

Approximately 300 children were served during the five days of the pop-up camp. Children participated in a variety of STEAM (science, technology, engineering, art, and math) activities.

Powering Opportunities for Girls

Each year, our communities come together in support of the work of the council, and more importantly to help girls learn what it means to actually lead a business by participating in the Fall Program Sale, and the annual Girl Scout Cookie Sale Program.

A century ago, girls started participating in what would evolve into the largest entrepreneurial training program for girls in the world, the Girl Scout Cookie Program. Selling Girl Scout Cookies not only helps Girl Scouts earn money for fun, educational activities and community projects, but also plays a huge role in guiding girls to discover their inner G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader) as they learn five essential life skills that will stay with them throughout their lives. All of the net revenue raised through the Girl Scout Cookie Program—100 percent of it— stays with the council and troops.

Girl Scouts go for Bronze, Silver and Gold

High school Girl Scouts are making a global impact. As the highest award a Girl Scout can earn, the Gold Award encourages Girl Scout Seniors and Ambassadors to identify a problem locally or globally and design a sustainable project to address it. Girls who earn the Gold Award are regular recipients of college scholarships and are routinely recognized for their commitment toward leadership and service in their community.

Adult Training

With a network of 27 volunteer Service Units throughout the council, these volunteers are our dedicated community partners in Girl Scouting. Service Unit leadership combined with council training, support troop leaders in delivery of the Girl Scout Leadership Experience. During the year, we trained 244 girl Program Aides and 397 adults for a total of 641 individuals. Additionally, 512 webinars were held.

Volunteer Toolkit (VTK) is going strong! VTK is a digital and mobile device-friendly resource for troop leaders to manage troops, plan and download meeting plans, and engage parents/guardians and girls. This 'administrative assistant' app for Kindergarten through fifth-grade troops contains all of the content a volunteer needs to have a successful troop leader experience. By making the planning process easier and faster, volunteers have more time to do the things they love - spending time with girls!

Become a Lifetime Member

When you become a Lifetime Member, you support the programming that fosters courage, confidence, and character in girls, preparing them for a lifetime of leadership. Through Girl Scouts, girls are able to explore new avenues that inspire and fuel their wildest dreams. Whether this be public advocacy, exploring new technology, or building their own business, the sky is the limit. Girl Scouts can help change the lives of the girls we serve, especially for those who might not otherwise have had the opportunity. Purchase one for yourself or gift to a fellow Girl Scout lover [girlscouts.org/lifetime](https://www.girlscouts.org/lifetime).

Note: The new lifetime membership baseball hat is available for purchase for existing lifetime members!

A LEADERSHIP MANIFESTO FOR EVERY

G.I.R.L.
go-getter / innovator / risk-taker / leader

I have the grit
of a **GO-GETTER.**

I don't just dream. I do. I know what is required to achieve my goals. And nothing will stop me from getting right back up – again and again.

I have the curiosity
of an **INNOVATOR.**

I don't just share ideas. I solve problems. I find connections and look for opportunities to make my world, your world, and our world better.

I have the courage
of a **RISK-TAKER.**

I'm not fearless. I'm just confident that I can handle whatever comes my way. Every experience is an opportunity to learn and grow.

We're not
for just any
girl, but we are
for every G.I.R.L.

Lead #LikeAGirlScout!

I have the heart
of a **LEADER.**

I'm not a great leader because I have power over others. What makes me a great leader is my power to inspire others' greatness.
