A LETTER FROM
TAMMIE HELMUTH
Chief Executive Officer

Dear Girl Scouts,

As we reflect on the incredible journey of the 2023 Girl Scout year, it fills me with immense pride to witness the grand adventures, new experiences, and cherished memories that our girls have embarked on this year. This year has been a testament to the resilience and accomplishments of our remarkable Girl Scouts, and we are truly proud of the milestones they have achieved.

Celebrating these monumental accomplishments wouldn't be possible without the unwavering support and leadership of our dedicated volunteers. Your commitment to empowering our Girl Scouts is the backbone of our organization, and we extend our deepest appreciation for the invaluable contributions you make to each and every girl you encounter.

We also recognize our generous donors, whose dedication has opened doors for hundreds of girls to experience the transformative Girl Scout Leadership Experience. Through their support, girls have gained access to membership purchases, summer camps, and programs.

Twenty exceptional young women earned the prestigious Girl Scout Gold Award, showcasing outstanding girl-led community service projects that have left a lasting impact on their communities. This year's Gold Award Girl Scouts have continued this tradition, creating measurable, sustainable, and far-reaching impacts through their remarkable commitment to issues close to their hearts. The Gold Award Yearbook stands as a testament to their dedication and leadership.

Our volunteers are the heart and soul of the Girl Scout organization, and we cannot thank you enough for your tireless efforts. This year, we are proud to recognize six Women of Distinction who exemplify what a truly humble volunteer and leader is in our movement. Additionally, we applaud our GSUSA national honorees, including twenty eight Appreciation Pin recipients, seventeen Volunteers of Excellence, seven Honor Pin recipients, six Thanks Badge honorees, and one Thanks Badge II recipient. An additional one hundred and six honorees are receiving Council recognition, making this a night of celebration and appreciation for their unwavering commitment.

As we mark 112 years – and counting – of empowering young women, we extend our deepest gratitude for your support in building girls of courage, confidence, and character. Together, we continue to shape a better world and develop tomorrow's leaders, one girl at a time.

Thank you for your dedication, commitment, and passion for the mission of the Girl Scouts of California's Central Coast.

Tammie Helmuth

OUR MEMBERSHIP

From Membership Year 2022 - 2023

In 2023, Girl Scouts of California's Central Coast (GSCCC) combined girl and adult membership reached over 9,000 with an overall retention rate of 72.6%.

Girl Scouts is the first and largest girl-led organization in the world, and for over a century has been preparing girls in grades K-12 for everyday leadership by providing experiences to explore new interests, face challenges, form new friendships, and make lasting community contributions.

Our programs encompass four pillars: Life Skills, STEM, Outdoors, and Entrepreneurship to deliver girl-led activities to girls across six counties along California's Central Coast.

PRODUCT PROGRAM

From Membership Year 2022 - 2023

POWERING OPPORTUNITIES FOR GIRLS

Each year, our communities come together in support of the work of the council, and more importantly to help girls learn what it means to actually lead a business by participating in the Fall Product Program and the annual Girl Scout Cookie Program.

A century ago, girls started participating in what would evolve into the largest entrepreneurial training program for girls in the world, the Girl Scout Cookie Program. Selling Girl Scout Cookies not only helps Girl Scouts earn money for fun, educational activities and community projects, but also plays a huge role in guiding girls to discover their inner go-getter,

innovator, risk-taker, and leader as they learn five essential life skills that will stay with them throughout their lives. All of the net revenue raised through the Girl Scout Cookie Program—100 percent of it—stays with the council and troops.

The annual nut and candy and magazine program held each fall is bursting with fun, digital avatars and learning, and serves as an important troop start-up opportunity to fuel fall program activities. In 2023, 1,763 girls participated and received over \$120K in profits from selling nuts, candy, and magazines.

OUTDOOR ADVENTURES

CAMPS & COUNCIL PROGRAMS

Over **4,000** girls attended Camp Arnaz programs - the council's beautiful 36-acre camp property located on the outskirts of Ventura. Activities this year included Archery, BB Guns, Tent or Treat, Winter Wonderland, and Astronomy offerings.

Camp Arnaz also had the opportunity to host **33** out-of-state Girl Scouts as a part of the Destinations program. Girls enjoyed the full Southern California experience with activities like a surf camp, trips to the Channel Islands and Santa Barbara, kayaking, a talent show, equine, archery, skits, campfires and so much more!

We had another successful year of incredible Summer Day Camps held by exceptional Service Units across the councils with a variety of fun themes to provide hundreds of girls a fun, interactive week in the great outdoors.

Through our Programs, Camps, and Training, we provided thousands of girls with outdoor experiences across our Council. Girls explored hiking, backpacking, wildlife, and outdoor skills in all counties.

We held in-person and virtual programs for **5,317** girls across our council with all four Program Pillars being engaged: STEM, Entrepreneurship, Life Skills, and Outdoors.

EQUINE PROGRAM

The Camp Arnaz Equine Center's Mission unites Girl Scouts and horses to create opportunities for outdoor adventure and meaningful relationships. Girls who participate will overcome new challenges to gain knowledge, confidence, and responsibility that they can use to become leaders in their communities while developing a passion and respect for the natural world.

We have programs for every age group and provide a range of opportunities for Girl Scouts to care for, ride, and interact with the horses. During the 2023 membership year we had over 1,400 girls attend our equine programs including:

- Horse Care
- Pony Pastries
- Junior Horseback Riding
- Cowgirl Up
- Mane Masters
- Cowgirl Shooting
- Cowgirl Roping
- Rancheras at Camp Arnaz
- Junior Rancheras at Camp Arnaz

HIGHEST AWARDS

High School Girl Scouts are making a global impact through Higher Awards. These awards are the highest award a Girl Scout can earn, the Gold Award encourages Girl Scout Seniors and Ambassadors to identify a problem locally or globally and design a sustainable project to address it. Girls who earn the Gold Award are regular recipients of college scholarships and are routinely recognized for their commitment toward leadership and service in their community.

"I learned to create the resources and community that I wanted to see. Celebrating Lunar New Year at school was something I'd been hoping to experience since kindergarten, and in the end, I had to implement it myself. It was an emotional experience to finally see my high school's main hall decorated with all of the lanterns we'd made"

- Jolina Le

"I learned that if you know what you want to do and pursue it with a confident attitude, the rest will flock to you— people, opportunities and results. You only have to be brave enough to try, because everyone else is too scared of failing."

- Clara Ainsworth

Please note, some Gold Award recipients have requested to be omitted from the publication.

2023 WOMEN OF DISTINCTION

Honoring the women of excellence who are lighting the way for our future leaders.

BRANDI BORZINI

Brandi served as a member of the GSCCC Board as a Director at Large when the council was realigned. She was a member of the legacy council of Monterey Bay. She continued to be the Council Treasurer and the Chair of the Finance Committee until she stepped down to be an Audit Committee member until today. Brandi is a CPA and Partner of Borzini Accounting and Consulting, LLP in King City, CA. She has been practicing as an accountant for 24 years. She has helped many nonprofits achieve their nonprofit status and serves on other nonprofit boards. She has helped in consulting the Council to ensure that the accounting system and processes are in order.

JEANINE GONZALEZ

Girl Scouts has played a major role in Jeanine's family for twelve years now and even longer as a tradition since her and her mother were both Girl Scouts. She currently runs two troops in San Benito County. Her first troop is currently at the Ambassador level with 18 girls registered. Her second troop is a Cadette level troop with 13 girls currently registered. She has been a leader to both troops since the girls started as Kindergartners. Being a Girl Scout Leader has become the core of who she is to family, friends and her community. She has enjoyed everything that Girl Scouting involves and has loved making lifelong connections with her troop girls and families. Her volunteering has extended even beyond Girl Scouting as she also spends her time doing the yearbook for her childrens' school and has served in previous years with their school's parent club. She gives all the credit to her two amazing daughters, Evie & Elise, who have been passionate about their Girl Scout journey and have kept her motivated every step of the way. She also credits her supportive husband, Armando, and her young son, Junior, who have provided encouragement in all her Girl Scout endeavors. She is also thankful for Service Unit 250, who she feels is an amazing group of ladies and girls who have made this a most enjoyable journey for her.

KATHY JOHN

Kathy is a long-time community member of Santa Cruz and lifetime Girl Scout with both youth and adult experience. Most of her experience with Girl Scouts has been in supporting girls with leadership and outdoor skills both as the troop leader of her daughter's troop for 12 years and since 2006, as adult staff at Camp Artemis, where she work directly with the youth staff and with council staff. She is always eager to share her love for an organization she has stood behind her entire life and to empower girls with programming and opportunities to encourage their growth and skill development as life-long learners. She brings over 30 years of experience in the financial field. In her role as the Controller for RP Construction Services, Inc., She has had the opportunity to build an accounting team and the accounting policies as the company has tripled in size over the past three years to become one of the top solar contractors nationwide. She has held treasury roles in non-profits through Habitat for Humanity Monterey Bay and Girl Scouts Camp Artemis. She holds a Bachelor of Arts in Biology from UC Santa Cruz and Master of Science in Accountancy from San Jose State University.

DR. SEVET JOHNSON

Dr. Sevet Johnson has served as the County Executive Officer for the County of Ventura since March 2022, being officially appointed in August of that year. Dr. Johnson joined the County in 2009 and served as the Chief Deputy Director of the County's Health Care Agency prior to serving as the County Executive Officer. She oversees 27 County agencies and departments. As part of her duties, Dr. Johnson also serves as the Ex-Officio Clerk of the Board. By trade, she is a licensed Clinical Psychologist and previously served as the Director of the County's Behavioral Health Department overseeing the County Mental Health Plan, serving approximately 18,000 clients annually through outpatient services. As a former Girl Scouts Troop Leader, mother to a Girl Scout, Rotary Club Member and Board member for the Museum of Ventura County, she believes that meaningful change can be achieved when we all lean in and consider our diverse backgrounds and perspectives when problem solving to benefit all. More than anything else, Dr. Johnson is a proud wife and mother to two daughters and lives with her family in Moorpark, CA. She cherishes quality time spent with her family; playing board games, finding new places to visit and when possible, finding quiet time to read a good book.

RACHEL KLEINZWEIG

Rachel Kleinzweig is a Senior Project Manager in Mortgage and Vehicle Servicing Operations, supporting Mortgage Payments & Escrow at Bank of America. Rachel has been with Bank of America for thirteen years. After spending three years as Co-Chair of Ventura County LEAD For Women, she is now the Co-Chair of the Ventura/Santa Barbara Market Community Volunteers as well as the Westlake Village Workplace Pillar Lead. Her passion is in leading, planning, and working towards successful project releases. Rachel holds a Bachelor's Degree in Business Administration from the University of La Verne, a California Real Estate License, and a Project Manager Professional (PMP) Certification. In addition to her LEAD for Women work, Rachel is a current board member for the Girl Scouts California's Central Coast Finance Committee. At home, Rachel is married to her video game designer husband, Jeff, and has one daughter, Gemma, who is in third grade and is an active Brownie. She enjoys hiking in her Wildwood neighborhood, surfing, triathlons and backpacking. Rachel and her family can often be found visiting the gems of Southern California including the Santa Ynez wine country, San Diego, Santa Barbara and more.

CHERYL D. WILLARD

Cheryl started as a Daisy Girl Scout Leader January 1987 – April 1991 at Stewart Army SubPost, Newburgh NY. She was a Service Unit Manager (SUM) October 1989 – September 1990. She took a break from Girl Scouts until September 1998 when she returned to being a Daisy Girl Scout Leader at Osan Air Base South Korea and then at Vandenberg Space Force Base until September 2014. She was also the SUM from October 2002 to September 2014 at Vandenberg. After a break as a leader and SUM, but still a part of Girl Scouts, she returned as a Co-Chair SUM from October 2018 to present. She is also, currently the Media Representative, the Adults Award Chair, the Secretary and Private Organization Representative for her Service Unit. She loves doing arts and crafts, camping and of course cookie booths with her Daisy Girl Scout troops over the years. Going on field trips, planning activities with other troops and helping them earn their Daisy Petals. Plus teaching them all about being Girl Scouts and how to make the world a better place for themselves and future generations of Girl Scouts coming up behind them. She also took photos of the activities to make each girl a scrapbook for their end of year awards/bridging events. Outside of Girl Scouts she is a Sunday School teacher and loves traveling/sightseeing, hiking, reading and photography.

100 Women Who Care
fund of
 GIRL SCOUTS OF CALIFORNIA'S CENTRAL COAST

We welcome our generous supporters into the 100 Women Who Care, a fund of Girl Scouts of California's Central Coast, designed to support girls in our council to make the world a better place. The fund ensures the sustainability of the life-changing benefits girls gain through the Girl Scout Leadership Experience. Membership in the 100 Women Who Care fund brings together those who believe that when we invest in girls, they will change the world.
