

READY TO explore

Hello Girl Scout Families,

We are excited to share that a brand-new Fall Program experience is coming! This refreshed program will replace our traditional Fall Product Program and introduce exciting new products, expanded choices, and even more opportunities for girls to participate, learn new skills, and work toward troop adventures and experiences.

One of the exciting changes to this new program is the earlier launch timeline. By beginning before many school fundraising programs start, girls and troops will have a stronger opportunity to participate early in the Girl Scout year while membership renewal excitement is still happening.

Here's a sneak peek at what's coming:

- 50 additional candle choices
- New personalized item options
- 3 brand-new nut varieties
- Expanded product selections for customers and supporters

Key Dates:

- Launch & Selling Phase: August 17 – September 13, 2026
- Order Processing: September 11 – September 15, 2026
- Delivery & Wrap-Up: October 1 – October 13, 2026

Over the next several weeks, we'll begin sharing additional details, rewards, training opportunities, and everything families need to know before launch. We are incredibly excited about this next chapter and cannot wait for girls to experience this refreshed program.

Stay tuned — more information is coming soon.
