Family Guide

Online Products

There are multiple storefronts online giving customers lots of options.

Benefits of Participating

- Girl Scouts learn and practice skills like goal setting, decision making, money management, people skills and business ethics.
- The Fall Product Program is an excellent way to earn start up proceeds to fund your troop's activities and projects throughout the year.
- Proceeds stay local to benefit our council and troops earn 20% on all items sold.

This program allows Girl Scouts to be entrepreneurs by offering family and friends the opportunity to purchase from a variety of products.

There are two ways to participate:

- In-person by taking orders using the candy/nut order card and collecting payments at the time of delivery.
- Online by inviting friends and family to place an order. Customers can choose to have a variety of great products shipped directly to them or they can select from a group of nut and chocolate products that Girl Scouts can deliver.
