SIX LOCAL GIRL SCOUTS CAP REMARKABLE JOURNEY WITH GIRL SCOUT'S HIGHEST HONOR

Article published on June 2 through the Times Publishing Group Inc.

Written by Peter Levy

Heather Hughes didn't set out to change the world. In 2011, she helped start a Girl Scout troop at Rio del Mar Elementary School for a group of 5-, 6- and 7-year-old girls. Her volunteer efforts over the next 13 years brought an unexpected positive impact to the community.

In the early years, the troop collected teddy bears for children in need, assembled and distributed kits with socks and toothbrushes for people experiencing homelessness, and shared Thanksgiving meals together. When the girls reached sixth grade, Carol-Anne Byck joined Hughes, and the two women shared leadership responsibilities.

Thanks Badge I

My Girl Scout journey began when I was in second grade, the first year that you could be a brownie then. There were no daisies. I stayed in Girl Scouts until after I received my First Class Award. During that time, I was a PA for our local day camp in Livermore, CA. When my daughter, Casey, was in first grade, in 1994, she joined a brownie troop. I did not know about Daisies, or she would have joined in kindergarten. By her second-grade year I was a co-leader for her troop. I remained as one of her leaders until after she received her Gold Award in 2005. I was lucky to have many other parents that helped with our troop.

I was service unit manager for several years; went on a Wider Op with a group of Girl Scouts to the British Isles; organized the council cookie rally one year; assisted my troop with their Silver Award and two girls with their Gold Awards; and worked at Henry Cowell Day Camp every summer.

My daughter started day camp in 1995. I started as a unit leader in 1996 and have been going ever since. In 2006 I became a co-Director and continue to be a director now in 2026. We skipped camp from 2020 to 2022 because of COVID but started back strong in 2023. Our camp is set in the beautiful redwoods of Henry Cowell State Park. We usually have about 200 campers in grades 1-7, 50+ PAs and close to 50 adults. The girls are divided into units. Each unit has around 20 girls, 3-4 PAs, and 2-3 leaders. We have crafts, songs, hiking, creek-walking, cooking, and much more. The camp is the last full week in June from 9:00-3:30. On Thursday, the older girls stay until 9:00 PM. Before COVID, they would spend the night and enjoy an evening stargazing!

I am most proud about how our Program Aids become strong leaders at camp. They take their responsibilities very seriously and every year amaze me with their competency. I am proud that they return to camp every year, even after they become adults. This year I have 16 adults working at camp that are past PAs.

Right now, our camp roster is complete. We can use volunteers for helping with the Thursday night dinner and the Friday lunch. Everyone that helps must have a current Food Handlers permit. You can email me at hcgscdaycamp@gmail.com if you would like to help. For next year's camp, we will need unit leaders and possibly other positions. Too early to tell for 2027. Please check our website <https://www.henrycowellgscamp.org> for more information.

I keep thinking that I will retire from this position but somehow, I keep going. Now my granddaughter attends camp as a PeeWee, so who knows how long I will continue!

Cheddar Up: More Than Just Event Registration

While many Service Units use Cheddar Up for event registration, it can also be used for troop dues, activity fees, camporee payments, badge orders, uniform orders, and other Girl Scout-related collections.

Unlike person-to-person payment apps, Cheddar Up is designed to help groups manage both payments and information in one place. Volunteers can collect registrations, track who has paid, accept credit cards and eChecks, gather participant information, and generate reports without maintaining separate spreadsheets or tracking systems.

For Service Units, approved accounts created through the council-issued signup link also receive council-covered credit card processing fees. Questions? Contact info@girlscoutsccc.org for assistance or to request the Service Unit signup link.

Cheddar Up – A flexible, council-approved option that allows Service Units to manage event registration, customize questions, and control fund transfers.

Doubleknot – Used for council-managed events; Service Units may request setup by submitting the SU Event Request Form.

Why Choose Cheddar Up?

Cheddar Up is a simple, user-friendly platform for Service Units that want ownership of event setup and registration.

Important: Use the Council Link

To receive council partnership benefits, including no credit card fees, events must be created using the council's Cheddar Up link. Email info@girlscoutsccc.org to request access for authorized SU volunteers.

Registration & Roster Requirements

Please use the TICKET option in Cheddar Up to capture the required insurance information. All attendees—girls, adults, and participating tagalongs—must be included on the roster. Full name and email address are required; additional details may be collected as needed.

Camporees & Day Camps

These programs follow separate council processes, covered in the 2025–2026 mandatory trainings.

Gold Award Spotlight

Jade Yakel

Congratulations!

Sick Box Survival Kits

Congratulations to Jade Yakel on earning the Girl Scout Gold Award, the highest honor in Girl Scouting, with her impactful project, Sick Box Survival Kits!

Recognizing that many students leave home for college without the knowledge or supplies needed to care for common illnesses, Jade developed a project focused on improving health literacy and preparedness for students transitioning to independent living. She partnered with a professor at CSU Channel Islands to lead health education workshops, distributed 100 College Sick Boxes filled with essential health items, and taught students how to safely use over-the-counter medications, recognize symptoms, and know when to seek medical care. She also presented at her high school, encouraging future college students to prepare their own personalized sick boxes before leaving home.

Through her leadership, Jade empowered students with the knowledge and confidence to care for themselves while living independently, creating a lasting impact that extends well beyond her workshops.

♥ Congratulations, Jade, on earning the Girl Scout Gold Award! Your leadership, compassion, and commitment to helping others prepare for a healthier future are an inspiration. We are incredibly proud of all you have accomplished and can't wait to see where your journey takes you next

Jade's Future Plans after High School Graduation:

Jade plans to major in Biochemistry and pursue a career in the biotechnology or pharmaceutical industry, where she hopes to contribute to research that improves lives and advances healthcare.

Troop 15525

Felton Rocks Nest

Congratulations to Zoe and Madison of Troop 15525 on earning the Girl Scout Silver Award with their inspiring project, Felton Rocks Nest!

After recognizing that many elementary students were unfamiliar with the programs and opportunities available at their local library, Zoe and Madison partnered with their community to create a colorful public art project that connected first-grade students with the library through creativity, collaboration, and fun.

The girls organized a community rock-painting project with local first graders, creating a permanent "rock nest" installation while introducing students to the library as a place for learning, creativity, and community engagement. By working closely with school staff, library representatives, and local businesses, they demonstrated outstanding leadership, communication, and teamwork throughout the project.

Their project will continue to inspire young readers, artists, and families to visit the library and participate in community activities for years to come.

Troop 66036

Menstrual Health Support
Project

Congratulations to the amazing Girl Scouts of Troop 66036 on earning the Girl Scout Bronze Award with their inspiring Menstrual Health Support Project! Recognizing that many students experience period product insecurity, these 13 dedicated Juniors led a community-wide effort to assemble 216 menstrual hygiene kits for the CVUSD Conejo Closet. The kits will be distributed to elementary school nurses, ensuring students have access to essential supplies when they need them most. The troop also collected shampoo and conditioner for families in need and created a sustainable template so future troops and community organizations can continue replenishing the kits.

Throughout their project, the girls demonstrated outstanding leadership, teamwork, communication, and problem-solving while helping reduce the stigma surrounding menstrual health and ensuring students feel supported, prepared, and confident.

♥ Thank you for making a lasting difference in the lives of students throughout the Conejo Valley. We are so proud of you!

Girls Make History.

Join us in Washington, DC!
July 23–25, 2026

Join us as we celebrate all the ways that Girls Make History. Girl Scouts have transformed—and continue to transform—our country. We planted victory gardens during World War II and marched for civil rights. We launch new businesses and advocate for the issues we care about. We dream big. We spark change. We lead the way! There's no better time and place to celebrate the incredible impact of Girl Scouts than on the 250th anniversary of the U.S. in our nation's capital.

At the **Girl Scouts Unite** event, you'll:

- experience interactive workshops, inspiring speakers, and live performances
- meet girls who are taking action in their communities
- learn about trailblazers and barrier-breakers from past generations
- venture into the city for events and exhibits commemorating the 250th anniversary of the U.S.

Together, we'll make friends, make memories, and make a difference. It's a weekend you'll remember forever.

In the days leading up to the **Girl Scouts Unite** event (July 20–22), our 58th National Council Session will meet to discuss key issues, vote on proposals, and elect leaders. It's democracy in action, as girl delegates vote alongside adults and have a direct voice in shaping the future of Girl Scouts.

We'll see you July 23–25 with more than 10,000 Girl Scout community members and supporters. When Girl Scouts unite, anything is possible!

Scan the QR code to see unforgettable moments from 2023.

NCS 2026: The Big Scoop!

The 58th National Council Session (NCS) is Girl Scouts' highest governing body, where elected delegates from across the country gather to shape our Movement's future. Held every three years, the 58th NCS in July 2026 will focus on strategic discussion topics and proposals aligned to Vision 2030. Delegates influence national priorities, vote on proposals, and provide guidance to the National Board through a transparent, collaborative agenda process. The NCS reflects our democratic tradition, ensuring members have a voice in strengthening Girl Scouting nationwide.

The following three proposals have been placed on the agenda for delegate deliberation and vote at the 58th National Council Session. More information will be coming, but stay tuned to ensure we hear your voice.

Proposal #1 - Girl Scout Highest Awards Solicitation of Contributions

Submitted by: Girl Scouts of Eastern Pennsylvania

This proposal would allow Girl Scouts working toward the Bronze, Silver, and Gold Awards to solicit philanthropic donations for their projects (with council approval), expanding current policy that limits solicitation primarily to Seniors and Ambassadors pursuing the Gold Award.

Proposal #2 - Membership Dues and Procedures for Registration

Submitted by: Girl Scouts of Greater Chicago and Northwest Indiana

This proposal would reduce the threshold requiring National Council approval for dues increases from 25% to 15% within a triennium, increasing delegate oversight on national membership dues adjustments

Proposal #3 - Preservation of Girl Scout Leadership Experience Relating to the Entrepreneurship Program

Submitted by: Girl Scouts of Kansas Heartland

This proposal seeks to limit GSUSA licensing of Girl Scout cookie-related food products during council entrepreneurship program sales periods
