Juliette Girl Scouts

Girl Scouting custom-made for you!

Being a Juliette Girl Scout is a great way to mix and match your unique interests with Girl Scout participation – special events, weekend workshops, and leadership projects that improve your skills and meet your interests and needs.

Juliettes are busy, independent, self-confident girls and young women who want to be a part of something larger – Girl Scouts!

Meeting in troops is one way to be a part of the Girl Scout experience, but when there aren't available troops in your area, your troop no longer meets, or you become too busy with extra-curricular activities or sports, becoming a Juliette will allow you to continue your Girl Scout experience on an individual basis.

As a Juliette, you won't attend troop meetings; instead you will work on Girl Scout programs with a parent or another adult mentor and with family and friends. You may participate in everything that is open to your grade level! You can find Girl Scout events on the Girl

Scouts of California's Central Coast's calendar.

You will decide what activities to participate in, and which recognitions/awards you wish to complete. Juliettes can earn the Journey awards and badges, as well

as the Bronze, Silver, and Gold Awards. You can also take part in council-sponsored product programs to help pay for your Girl Scout events and activities.

What Can a Juliette Do?

Juliette Girl Scouts can do anything Girl Scouts in a troop can do. Juliettes learn to Discover, Connect, and Take Action when they:

Complete Girl Scout Journeys + Badges

Girls can choose from three different Journey books at each program grade level. Journeys guide girls towards becoming a leader in their community. Juliettes can also earn badges, which include a variety of skill-building activities, many of which compliment the Journeys.

Attend Girl Scout Events + Activities

Juliettes can meet other girls in their area while completing Journeys, earning badges, or learning more about the outdoors at council-sponsored events. Communities also offer many events and service opportunities, which are great for Juliettes to meet other Girl Scouts in their area.

Help Others Through Community Service

Part of the Girl Scout Law is to “make the world a better place.” Juliettes can work on their own or

with their Girl Scout community to carry out this Girl Scout tradition. Juliettes can also pass along what they’ve learned, gain leadership skills, and earn special mentoring awards by helping younger Girl Scouts at troop meetings, events, camp, and more.

Participate in the Girl Scout Cookie and Fall Product Programs

Juliettes can fund their Girl Scout activities while learning great business skills including goal setting, decision making, money management, people skills, and business ethics.

Earn Girl Scouting’s Highest Awards

The Gold, Silver, and Bronze Awards are the highest awards in Girl Scouting. Juliettes can earn these awards by leading a take-action project to improve their local community

Travel with Girl Scout destinations

Juliettes can experience leadership opportunities and cross-cultural understanding through regional, national, and international travel.

Juliette Girl Scout Mentors

A Juliette Girl Scout Mentor is a parent or trusted adult who guides a Juliette through her experience. A Mentor should:

- Register as an adult member of Girl Scouts.
- Seek out and relay information and opportunities for their girl.
- Help their girl plan her Girl Scout year using the Planning Guides.
- Connect with their community team for wider opportunities for their girl.
- Follow Volunteer Essentials and Safety Activity Checkpoints to keep their girl safe.
- Connect with other Mentors in their community.
