

RANDOM ACTS of Kindness Day

FEBRUARY 17

Random Act of Kindness Day is February 17, 2021!

Help support local Girl Scouts and your community. Surprise local Girl Scouts by “buying out” their booth! We are challenging Girl Scout supporters like you to then donate these cookies to an organization of your choice! Make hospital staff’s day with a sweet treat. Give field workers a cookie break. Surprise the hard-working firefighters and police officers that protect our community with a thank you!

Fill out this form:

www.girlscoutscoc.org/kindness and choose “Donate GS Cookies/Nuts” as your donation option and we will take it from there! On February 17th local Girl Scouts will deliver these cookies directly to these amazing first responders, with masks on of course!
