A LETTER FROM

Tammie Helmuth

Chief Executive Officer

As we reflect on the past year, it's clear that 2024 has been filled with remarkable achievements and unforgettable moments for our Girl Scout community. We are thrilled to announce that we've maintained the top position nationwide for membership retention among girls and adults, a testament to the dedication and passion of our leaders and volunteers. Their commitment to nurturing and leading our girls with passion, curiosity, and engagement is always inspiring.

Our programs, such as the exciting Brownilympics and the creatively challenging Kaleidoscope, have brought girls together in meaningful ways outdoors. Whether celebrating every "girl goes home a winner" at Brownilympics or fostering new skills and camaraderie at Kaleidoscope, these events are essential in promoting active learning and community engagement.

Throughout the summer, our day camps which are hosted by dedicated volunteers welcomed over 1,000 girls across our Council. These camps not only provided safe and nurturing environments but also created lasting memories of fun and learning outdoors.

Camp Arnaz, our Council's only owned camp, continues to grow and flourish. The Monarch Breeding & Research Center continues to see monarchs and pollinators visiting the property, while the garden, now over 3.5 acres, hosts numerous pollinators and butterflies. The addition of a Blue Green Space, created by Gold Award Girl Scout Ashley Slicton, further enhances the space and supports girls' mental health. Our herd of 13 beautiful horses continues to support over 1,200 Girl Scouts annually, providing hands-on experiences and valuable lessons with our equine friends.

We were also honored to support the world premiere of *Our Oceans* with our girls in the north, where we had the privilege of joining President Obama, the amazing and talented marine biologist Inka Cresswell, and Netflix at the beautiful Monterey Bay Aquarium. This special event was an incredible opportunity to amplify our commitment to ocean conservation and environmental education, which is at the heart of many of our programs.

One of our proudest accomplishments this year has been the continued success of our Gold Award Girl Scouts. We witnessed firsthand the transformation of our support for girls on their journey to attaining the highest award in Girl Scouting. This year, we celebrate one of our largest cohorts of Gold Award recipients, with over 32 girls earning this recognition. Once again, it's our volunteers who shine through with their dedication and tireless support in all acts of Girl Scouting.

Thank you to all of our volunteers and supporters for your unwavering commitment. Together, we are building girls of courage, confidence, and character who are making the world a better place.

Tammie Helmuth

OUR MEMBERSHIP

From Membership Year 2023 - 2024

In 2024, Girl Scouts of California's Central Coast (GSCCC) combined girl and adult membership reached over 9,000 with an overall retention rate of 75.9%.

Girl Scouts is the first and largest girl-led organization in the world, and for over a century has been preparing girls in grades K-12 for everyday leadership by providing experiences to explore new interests, face challenges, form new friendships, and make lasting community contributions.

Our programs encompass four pillars: Life Skills, STEM, Outdoors, and Entrepreneurship to deliver girl-led activities to girls across six counties along California's Central Coast.

PRODUCT PROGRAM

From Membership Year 2023 - 2024

POWERING OPPORTUNITIES FOR GIRLS

Each year, our communities come together in support of the work of the council, and more importantly to help girls learn what it means to actually lead a business by participating in the Fall Product Program and the annual Girl Scout Cookie Program. A century ago, girls started participating in what would evolve into the largest entrepreneurial training program for girls in the world, the Girl Scout Cookie Program. Selling Girl Scout Cookies not only helps Girl Scouts earn money for fun, educational activities and community projects, but also plays a huge role in guiding girls to discover their inner go-getter,

innovator, risk-taker, and leader as they learn five essential life skills that will stay with them throughout their lives. All of the net revenue raised through the Girl Scout Cookie Program—100 percent of it—stays with the council and troops. The annual nut and candy and magazine program held each fall is bursting with fun, digital avatars and learning, and serves as an important troop start-up opportunity to fuel fall program activities.

OUTDOOR ADVENTURES

CAMPS & COUNCIL PROGRAMS

In 2024, over 5,000 girls participated in programs at Camp Arnaz, our beautiful 36-acre property in Ventura. From archery and BB guns to Tent or Treat, Winter Wonderland, and astronomy programs, Camp Arnaz continues to be a hub for outdoor exploration and adventure.

This year, Girl Scouts had incredible opportunities to learn, lead, and explore in new ways. We proudly hosted six watch parties across our council for the Obama-produced Netflix documentary *Our Oceans*, where Girl Scouts learned about ocean conservation and heard directly from the film's producers. Girls also engaged in hands-on STEM activities, outdoor survival training, and leadership-building programs designed to prepare them for real-world challenges.

Our Summer Day Camps, led by dedicated Service Units, provided hundreds of girls with an exciting week of hands-on learning in the great outdoors, each with unique themes that made every experience unforgettable.

Through our Programs, Camps, and Training, we engaged thousands of Girl Scouts in outdoor adventures across our council, where they explored hiking, backpacking, wildlife, and essential outdoor skills. In total, we served 5,317 girls through both in-person and virtual programs, with all four Program Pillars—STEM, Entrepreneurship, Life Skills, and Outdoors—woven into every experience. It was a year filled with adventure, learning, and leadership, and we can't wait to continue growing these opportunities for Girl Scouts in the year ahead!

HIGHEST AWARDS

High School Girl Scouts are making a global impact through Higher Awards. These awards are the highest award a Girl Scout can earn, the Gold Award encourages Girl Scout Seniors and Ambassadors to identify a problem locally or globally and design a sustainable project to address it. Girls who earn the Gold Award are regular recipients of college scholarships and are routinely recognized for their commitment toward leadership and service in their community.

Izel Prieto	Shayna Dearman-So
Jaia Beall	Sierra Engel

"My Gold Award project showed me how much we take for granted. Many kids complain about school, while others can't attend simply due to a lack of period products. I realized the importance of appreciating what we have and taking action to help others access the essentials they need to grow."

Kaitlin Turner - *Supplying Women in Developing Countries with Reusable Pads*

Please note, some Gold Award recipients have requested to be omitted from the publication.

2025 WOMEN OF DISTINCTION

Honoring the women of excellence who are lighting the way for our future leaders.

TIFFANY WHITSITT-ODELL

Tiffany, originally from Oklahoma, began her Girl Scout journey in 3rd grade, where her love for adventure, leadership, and the outdoors blossomed. She engaged in various Wider Opportunities (now known as Destinations), traveled internationally with her troop, and earned both the Silver and Gold Awards. In college, she led the Horseback Riding program for Girl Scouts of Western Oklahoma while earning her B.A. in Biology and M.S. in Wildlife Ecology and Management. Tiffany has been involved with multiple councils, including GS of Western Oklahoma, GS Diamonds of Arkansas, Oklahoma, and Texas, and GS of California's Central Coast. Since 2012, she has also contributed significantly to the Kaleidoscope committee, culminating in her role as co-director in 2024.

In 2019, she discovered her true calling as a Junior Troop leader and Recruitment lead for the Space and Sea Service Unit, where she is dedicated to creating outdoor opportunities for Girl Scouts, especially for families of Air Force and Space Force members. Her extensive volunteer work reflects a commitment to youth development and mentorship, which she credits to her own Girl Scout leader. Alongside her volunteer efforts, Tiffany works as a Wildlife Biologist at Vandenberg Space Force Base, managing a vast area of land and protecting numerous wildlife species. Her contributions have also extended to leadership roles in The Central Coast Chapter of The Wildlife Society, earning the chapter national recognition during her tenure. Tiffany's journey exemplifies her dedication to shaping the next generation and fostering a love for the outdoors.

NANCY COOPER

Her journey with Girl Scouts began in second grade as a Brownie. After earning her First Class in eighth grade, she later became a leader when her daughter joined in first grade. Their troop, which included girls from various schools, created lasting friendships through their activities.

Under her leadership, the troop earned their Silver Award by planning a service unit camping event, where they trained older girls to help campers earn badges and participated in community service projects. Two members, including her daughter, Casey, earned Gold Awards for creating a meeting area at the Live Oak Community Center.

She served as a troop leader from 1996 to 2005 and was a service unit manager for several years. In 2006, she became a co-director of Henry Cowell Day Camp, and is excited about her granddaughter becoming a Girl Scout.

Living in Santa Cruz with her husband, Ken, whom she has been married to for 38 years, she has a stepdaughter with four children and a son, Steven. After a 38-year career teaching elementary school, primarily at Rio del Mar School, she retired in 2016. Now, she enjoys playing the oboe in the Cabrillo College Symphonic Band and Orchestra and cherishes time spent walking with friends and traveling.

ANDREA (ANDI) KISH

Andi Kish, a native of the San Francisco Bay Area, has channeled her passion for community service through Girl Scouts, significantly impacting the lives of young girls, including her daughters Anya (15), a Senior Girl Scout, and Mia (19), a college freshman who earned her Gold Award last year. In August 2012, she co-founded Troop 60385 with Rebecca Engel and Lori Dearman, starting with fifteen first graders. Over the past thirteen years, Andi has witnessed remarkable personal growth in the girls, who have participated in field trips, service projects, and crafting activities that foster a deeper connection to their community.

Andi's leadership has included organizing significant events like service units' Thinking Day, serving meals to the homeless during the Holidays, and engaging in environmental projects such as building benches for local schools and creating owl boxes. Each moment spent with the girls, whether it's through long-term projects or fun road trips, has reinforced Andi's commitment to empowering young women and giving back. She expresses gratitude to the leaders and role models in her Island View Service Unit, which have provided a strong foundation for nurturing girls' growth and community service.

2025 WOMEN OF DISTINCTION

Honoring the women of excellence who are lighting the way for our future leaders.

CINDY BARCELONA

Cindy's mother was a day camp director and Neighborhood chair. Cindy attended day camp as a tagalong, becoming a Brownie and then a Senior Girl Scout. She spent several years at summer Camp San Emidio Tecuya. There, she joined her council on a visit to the Girl Scout National Center West in Wyoming and took a backpacking course, culminating in a hike along the John Muir Trail.

She volunteered with Campus Girl Scouts at the University of California, Davis, while pursuing a degree in Wildlife Biology. Additionally, she led a junior troop and served as a counselor at the Rancho del Chaparral Summer Camp. After moving to Alaska and having two children, Owen and Marina, their father passed away, so she returned to Grover Beach, where she became the director of Sandpiper Day Camp for 13 years, qualifying as a trainer at Our Cabana and eventually became a Master Trainer and archery instructor. She served as her daughter's troop leader, who always dreamed of becoming a counselor at Camp Tecuya, a goal she achieved at the age of 18. Cindy also assisted the Monarch Service Unit as a manager for several years and served as the cookie chair. Last year, she and her daughter, Marina, visited Juliette Gordon Low's home in Savannah, Georgia.

LANET SANDOVAL

Lanet has 12 years of dedicated volunteer experience with Girl Scouts, during which she has undertaken various leadership roles, including troop leader, co-leader, and service unit positions such as secretary, manager, registrar, and coordinator for fall products and cookies. In addition to her involvement with Girl Scouts, she has coached Junior Giants baseball, volunteered in schools within the Washington Union School District, and currently serves on the Safe Routes to School Committee in North Monterey County, focusing on enhancing student transportation safety. In her leisure time, she appreciates attending live music events and planning visits to Disneyland.

KAREN GAUTHIER

Karen's Girl Scout journey began in the 1980s with the Tres Condados council, where she spent three years as a Brownie and Junior. Her passion for Girl Scouting was reignited when she became a Troop Leader for her daughter's troop, a role she has cherished for the past ten years. Starting with Daisies, Karen has guided the girls through their journey to Cadettes, fostering their growth and inspiring them to explore their full potential. She is passionate about creating unique and enriching experiences for the girls, like rock climbing, sailing, and travel. A highlight of her leadership was a recent trip to Catalina Island, broadening the girls' horizons, experiencing the beautiful wildlife and ocean ecosystem, and creating lasting memories. Karen is committed to providing opportunities that spark girls' interests and empower them to become tomorrow's leaders, much like she does in her professional life in Information Technology. As a champion for Women in Technology, she understands the importance of fostering girls' interest in STEM and providing them with the skills and confidence to succeed in these fields.

As a member of the Thousand Oaks Service Unit team, volunteering and serving in a variety of key roles. She has served as the Service Unit's Communications Manager, ensuring vital information reaches troops and families in a timely and engaging manner. Her expertise as Cookie Manager helped troops achieve their sales goals, providing essential funding for their activities and adventures. Her dedication to the Girl Scouts has made a significant impact on many girls in the community.

100 Women Who Care
fund of
GIRL SCOUTS OF CALIFORNIA'S CENTRAL COAST

We welcome our generous supporters into the 100 Women Who Care, a fund of Girl Scouts of California's Central Coast, designed to support girls in our council to make the world a better place. The fund ensures the sustainability of the life-changing benefits girls gain through the Girl Scout Leadership Experience. Membership in the 100 Women Who Care fund brings together those who believe that when we invest in girls, they will change the world.

Support Her Journey—Fuel Her Future

Every girl deserves the chance to explore, grow, and lead, and Girl Scouts provides the opportunities to make it happen. From camping under the stars to coding their first program, from leading community service projects to traveling the world, Girl Scouts gain the skills and confidence to dream big and achieve even more.

With your support, girls will have access to outdoor adventures, hands-on STEM learning, leadership development, and entrepreneurship experiences that prepare them for a lifetime of success.

Give today and help shape the future, because when girls lead, the world benefits.

Support Her Today!
