

Women of Distinction Volunteer Recognitions Event

Saturday, July 16, 2022 at Camp Arnaz – Ventura, CA

The Girl Scouts of California's Central Coast Women of Distinction event brings together and recognizes a group of purpose-driven, leaders in business, government, science, arts, education, and philanthropy, who, like our girls, are dedicated to service and leadership. Help us honor this year's Women of Distinction, who are illuminating the way for our future generation of girls. These bright lights serve as examples to our Girl Scouts by modeling the positive changes that our girls can make in the world.
