

# Digital Cookie<sup>®</sup>

## Learning Center

Digital Cookie offers a variety of learning opportunities for your Girl Scout, right in the site. Select the Learning tab at the top of your page to view the learning opportunities built into the site.

Within the Learning Center you will have opportunities to play educational and fun games, view videos, and learn how to be an entrepreneur! Your Girl scout can be inspired by the stories from their fellow Girl Scouts about their take action projects and travels.
