## Track Your Goal

After you've registered, set up your site, and invited customers to your Digital Cookie page it's time to track your progress throughout the cookie season!

**View 1:** On your Home tab, you can get a quick glance of your Online Sales and Offline Sales progress in the Cookie Sales Progress bar. Update your sales goal, update your offline packages sold (or use the My Cookies tab):

**View 2:** Scroll to the bottom of the Home Tab to view an assortment of graphs to keep track of online sales by cookie variety, online sales by delivery, total online sales, and the # of marketing emails your Girl Scout has sent.
