

## DISCUSSION QUESTIONS

The following is a list of questions and themes to help facilitate a deeper discussion in small groups after your assembly. This is optional and can be utilized in whatever way is most beneficial. You could share these questions with teachers so that they can have discussions in their individual classrooms, you could plan for smaller breakout sessions on another school day or you could discuss these during a Kind Club meeting.

You can utilize all of the questions and themes below, choose a couple or even create your own questions that you feel are more relevant to your audience and community.

### QUESTIONS

- What words or thoughts come to mind when you think about girls and the friendships we have with one another?
- Why do you think girl-against-girl bullying takes place?
- How have you seen bullying change in both a positive and negative way?
- How does social media affect our relationship with ourselves and others?
- What are some beautiful and powerful words and thoughts that represent our friendships with one another?
- What action steps can you personally take to spread kindness and include others within your school hallways and community?
- What action steps can our faculty and community take to create kinder, more supportive and inclusive school hallways and help bring an end to bullying?
- If something hurtful happens, do you know who to go to at our school to report it and to find support?
- Do you feel like there is a support system in place at school to rely on when bullying takes place?
- If so, what could we improve upon to make that system even more helpful? If not, what could that support system look like to be the most helpful for our student body?
