

### **Watercolor Blow Art Creation**

**Supply list:**

1. liquid watercolors (if you don't have any on hand, you can dilute any water-based paint with water)
2. watercolor paper (when painting involves a lot of water, it's always good to use special watercolor paper; it doesn't have to be fancy)
3. circle stickers (they're sold at dollar stores for making garage sale price tags, or you can cut another sticker into small circles)
4. straws
5. pipette or paint brush
6. newspaper or paper towel
7. black marker or pen
