

Food, Wine & Beer Festival

***Saturday, April 23, 2022
4:00 - 7:00 pm***

Help Save the Monarchs

LIVE MUSIC • LOCAL WINES • SMOOTH BREWS • FOOD SAMPLING

Monarchs are the most well-known butterfly but their population is in a steep decline. Help to establish the Monarch Breeding and Research Center at Camp Arnaz. You will be able to plant milkweed, tour our nectar and pollinator gardens, all while enjoying an unbeatable array of delicious food samples from restaurants, caterers, bakeries, and specialty shops, to the palette-pleasing tastes of fine wines, unique brews, and specialty beverages from throughout the region and California.

Help us repopulate this very special butterfly while enjoying an afternoon in the beautiful outdoors!

Tickets: \$50

Chef Sponsor

Chefs will need to prepare a “display” appetizer/dessert for each recipe (finished as it would be serve 300 attendees (sample size approx. 2-3 bites).

Appetizers and desserts will be judged separately; chefs are encouraged to enter a recipe into both categories. We have invited food editors and other local icons to be “official” judges. Recipes will be judged based on taste and presentation.

Spirit Sponsor

The spirit sponsor agrees to serve complimentary tasting samples for 300 attendees.

Non-profit Booth Vendor - \$50

For-Profit Booth Vendor - \$100
