**Ventura, CA —** Girl Scouts of California's Central Coast received a generous donation from Helen N Yunker Family Trust of \$50,000. Helen was a Girl Scout herself and a Ventura County native. She became successful in real estate, opening her own business, Helen Yunker Realty and was an extraordinary community advocate. "Helen was the epitome of our mission, building girls of courage, confidence and character who make the world a better place", says CEO Tammie Helmuth. Girl Scouts of California's Central Coast's CEO also added, "Helen was also one of Girl Scouts of California's Central Coast's Women of Distinction a few years ago. This distinction honors outstanding local women leaders whose ethical leadership, professional accomplishments, and community contributions inspire us all to make the world a better place."

This generous gift will provide current and future Girl Scouts with the Girl Scout Leadership Experience. The Girl Scouts Leadership Experience engages girls in discovering themselves, connecting with others, and taking action to make the world a better place. The program encourages girls to value their ideas, talents, and passions while developing the practical skills, discipline, and relationships necessary to implement change. As girls become more confident through our program, they thrive in other areas of their lives, achieving their personal goals and effecting positive change in their communities, the nation, and the world.

Support like this allows girls to participate in Girl Scouts who would not otherwise have the financial means to do so. To learn more about how you can support Girl Scouts in your area visit [www.girlscoutscoc.org/donate](http://www.girlscoutscoc.org/donate).

**About Girl Scouts of California's Central Coast**

Girl Scouts of California's Central Coast serves over 8,900 girls across six counties and is committed to making the Girl Scout Leadership Experience available to girls in ways that impact their lives both in the moment and into the future. Girls participate in troops,

individual projects, council events, day camps, resident camps and more. A variety of leadership, outdoor skills, and Science, Technology, Engineering, and Math (STEM) based programs and events provide girls with opportunities to learn and explore in fun and informative ways. To join or volunteer in Santa Cruz, San Benito, Monterey, San Luis Obispo, Santa Barbara or Ventura County, visit: <http://www.girlscoutscoc.org>.
