Short and Snappy Learning Opportunities for Volunteers

GSCCC Council's Own Patch Programs: Environmental 15 minutes

The patch programs listed below were developed by Girl Scouts of California's Central Coast, local troops and sister Girl Scout councils.

These patch programs include activity suggestions that enhance the GSLE experience for girls.

They are appropriate for a variety of levels and interests.

Each program has a unique patch that can be purchased when the patch program requirements are complete

You can find the patch programs on the GSCCC website – [GSCCC Council's Own Patch Programs](#).

Environmental

- **Climate Change Patch**
- **Forever Green 2013 Patch**
- **Forever Green – Understanding Water Conservation Patch**
- **Girl Scouts Go Green Patch**
- **Project Pollinate**

- **Climate Change Patch**

This patch will inform, advance skills, and create leaders in a generation of girls that will be most impacted by the effects of climate change

- **Forever Green 2013 Patch**
This patch program encourages girls to Take Action to improve the environment and protect natural resources

- **Forever Green – Understanding Water Conservation Patch**

This patch program has been designed to educate girls about water conservation, exploring water footprints, and how to save money reducing water usage

- **Girl Scouts Go Green Patch**
One of the provisions of the Girl Scout Law is that Girl Scouts use resources wisely. What exactly does that mean?

- **Project Pollinate**

The goal of the Project Pollinate Patch program is to educate girls about the importance of preserving pollinators
